

What we are learning:

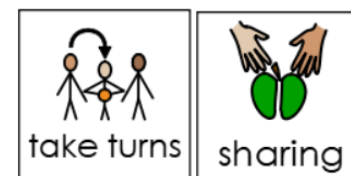

English
Non-Fiction

Ideas for home:
 Texts we are reading in school:
 Recipes
 Instructions
 Non-fiction fact books
 Encourage reading of any books the children show interest in

Maths
Number

Ideas for home:
 Practice counting objects around the home
 Add two groups of objects
 Take away objects from a group and recount

RSHE
Relationships

Ideas for home:
 Share games and toys
 Play turn taking games
 Look at photos of friends and family members

Geography
Physical features

Ideas for home:
 Go for a walk in the local area and identify any physical features of the environment e.g. leaves, trees, flowers, lakes

Religious Education
Rituals and ceremonies

Ideas for home:
 Join in with celebrations and parties
 Find out what special days/events are happening throughout the month. E.g St Georges Day

Science
Weather

Ideas for home:
 Collect rain water and measure it each day
 Explore items of clothing and resources that are appropriate for the different types of weather

Clubs on Offer:

- Soft play (building communication)
- Sensory play
- Colouring club
- Music club
- Outdoor exploring

Out in the Community:

We go out into the community regularly through the school year. Here are a few of the visits we might do and why we do them.

- Visiting local parks (to share and take turns)
- Fire engine visiting school
- Walks in the local community
