

# What we are learning:

## English

### Poetry

#### Ideas for home:

Read these books as we are using them in school:

'Giraffes Can't Dance'

'We Sang Across the Sea'

'Perfectly Peculiar Pets'

Encourage reading of any books the children show interest in

poetry

rhyme

## Maths

### Geometry

#### Ideas for home:

Identify different shapes around the home and out in the community

Create images using shapes

Count the sides and corners on shapes

shapes

sides

sharing

take turns

## PSHE

### Relationships

#### Ideas for home:

Share games and toys

Play turn taking games

Look at photos of friends and family members

## Geography

### The Water Cycle

#### Ideas for home:

Identify bodies of water when out in the community. E.g. lakes, ponds, river

Water play at home/in the garden

water

lake

## Religious Education

### Believing

#### Ideas for home:

Discuss family beliefs

Join in with celebrations and parties

Read stories about other beliefs such as the tooth fairy and Father Christmas

beliefs

celebrations

electricity

battery

## Science

### Electricity

#### Ideas for home:

Identify different appliances around the home and identify if they are electrical or battery operated

Practice changing batteries in devices around the home

#### Clubs on offer:

- Lego club
- Movie club
- Wellness club
- Soft play

#### Out in the Community:

We go out into the community regularly through the school year. Here are a few of the visits we might do and why we do them.

- Walks around the local area
- Visiting local areas making links to 'The Water Cycle' and 'Light and Sound'
